

ABOUT US

Bin Moosa and Daly LTD LLC is one of the first Abu Dhabi-based trading companies, serving the UAE local market for 50 years, with over DHS 140 million in annual turnover and almost 200 employees.

In addition to being a pioneer in the supply of water flow and pressure products, we cater to the offshore developments with corrosion prevention, sealing technologies and hazardous area lighting. We sell top quality products sourced from 14 countries, with a portfolio of more than 25 brands (10+ sole distributor).

Our product portfolio includes pumps, pump sets, pool & spa equipment, pipes, standard and solar water heaters, water meters, corrosion prevention and sealing technology, oil & grease separators, floor drains and covers, house connections, taps, showers and valves, manhole covers, hazardous area lighting and others.

WHAT MAKES US DIFFERENT
